Presented by Nijole Ladd, Certified Workshop Leader and Former Barbara Brennan School of Healing Faculty

Nijole has studied the Human Energy Field and Vibrational Healing since 1993. She is a Brennan Healing Science Practitioner®, a former teacher at the internationally acclaimed Barbara Brennan School of Healing, has Hakomi Body Centered Psychotherapy training, uses SahuKa sound/alchemy sound techniques, and is a Reiki Master.

Nijole will guide you on your own healing journey as you learn the basic tools that will empower you to become more conscious of your Human Energy Field...or "Aura." Her passion is helping people bridge the perceived gap between the physical and non-physical aspects of the human being by opening to conscious awareness, developing your High Sense Perception (HSP), and by learning to access internal higher wisdom.

This work is transformative, and opens you to unlimited creativity and flow of energy that can enhance your life.
