This enlightening system of personal transformation combines spiritual and psychological processes with powerful, loving, hands-on healing techniques. Discover a sophisticated and powerful model of the Human Energy Field (Aura), and transform your personal and professional relationships through a new awareness of energy dynamics. Come experience this healing environment, and return to your life renewed, open-hearted and transformed!

- *Learn healing techniques for yourself and others.*
- *Strengthen your internal support system (the hara) through grounding and centering exercises.*
- *Access your inner knowing and ability to connect with spiritual guidance.*
- *Change your world by consciously working with universal energy.*
